### **Item 3a. Florida Department of Transportation (FDOT) District 5 Fiscal Years (FY) 2024 to 2028 Tentative Work Program**

Ms. Kathy Alexander-Corbin, with FDOT District 5 provided a presentation to the committee covering the Tentative Five-Year Work Program for fiscal years (FY) 2024 through 2028 in Marion County.

The FDOT District 5 Work Program Public Hearing Week took place from December 5 to 9, including a Public Hearing Workshop meeting held both virtually and at the District Headquarters in DeLand on December 6, 2022.

Ms. Alexander-Corbin talked about some of the project impacts in a review of the year 2022.

- Cost increases; material and labor shortages, premium pricing for certain materials (i.e., electrical, steel) and augmented project unknowns
- Limited competition; single bids at significant high costs, selective pursuits
- Dynamic cost estimation and predictions; forecasting of ongoing/future projects in the pipeline
- ROW Impacts Included: Approximately 15% increase on land prices, and higher severance damage and appraisal costs

The presentation covered how FDOT went about Building and Balancing the Tentative Work Program.

According to the Five-Year Work Program, Marion County was on track to receive \$368,163,260 in funding.

Ms. Alexander-Corbin highlighted the following Key Projects:

### **Item 3b. 2020 U.S. Census Update**

Mr. Balmes gave the committee a brief update on the 2020 U.S. Census and provided the listing of the 2020 Urban Areas.

On December 29, 2022, the U.S. Census Bureau had released only the listing of 2020 Urban Areas. Maps would not be available until January 2023 according to the U.S. Census webpage and press release. The listing was based on the 2020 Final Urban Area Criteria, published in March 2022.

According to the U.S. Census, the population of the 2020 Ocala Urban Area was set at 182,647.

Additionally, the U.S. Census designated other Urban Areas in Marion County, including: Marion Oaks with a population of 19,077; Rainbow Springs with a population of 4,667; and Lake Bryant with a population of 3,632.

Without maps, Mr. Balmes had no further insights as to other Urban Areas in Marion County, in particular, the southeast including Belleview (The Villages-Lady Lake) and southwest impacting Dunnellon (Beverly Hills-Homosassa Springs).

In order to be part of a Transportation Management Area (TMA), an Urban Area must have a minimum population of 200,000. Until maps were made available, it was uncertain what the Urban Areas would look like in Marion County and why the Ocala Urban Area was not part of the Villages-Lady Lake Urban Area and/or Marion Oaks Urban Area.

Mr. Balmes made mention that per 49 U.S. Code Section 5303(k), TMA's may also be designated by the U.S. Transportation Secretary by request of the MPO and Governor.

More information on 2020 U.S. Census results would be forthcoming.

### **Item 3c. 2023 TPO Major Activities**

#### **Item 4a. Fiscal Years (FY) 2023 to 2027 Transportation Improvement Program (TIP) Amendment #3**

Mr. Balmes presented and said per the request of the Florida Department of Transportation (FDOT), one project had been proposed for amendment in the Fiscal Years (FY) 2023 to 2027 Transportation Improvement Program (TIP).

The current I-75 Rest Area project (FM 438562-1) was receiving federal funding from the Carbon Reduction program and additional state funding to ensure completion. The original and proposed project pages along with the complete TIP document was provided to the committee.

#### **FM# 438562-1: I-75 (SR 93) Rest Area Marion County, from North of CR 484 to South of SR 200**

- Funds to be added: \$12,437,031
  - Federal: \$6,524,619
  - State: \$5,912,412
- FY 23 Construction (CST) phase
- Total TIP Funding: \$42,379,024

*Mr. Fabian made a motion to approve the FY 2023 to 2027 TIP Amendment #3.*

*Mr. Howard seconded, and the motion passed unanimously.*

#### **Item 4b. TPO Title VI Plan Update**

Ms. Mitchell presented the Title VI Plan Update and said that the TPO had currently updated the plan to ensure that the TPO complied with the Title VI/ Nondiscrimination 1964 Civil Rights Act.

Ms. Mitchell explained that Title VI of the Civil Rights Act of 1964 was the Federal law that protected individuals and groups from discrimination based on their race, color, sex, age, disability, income and national origin.

All Recipients of federal funding must comply with the requirements of Title VI of the Civil Rights Act of 1964, and the Florida Civil Rights Act of 1992, does not permit discrimination on the basis of religion or family status.

All of the nondiscrimination statutes, rules, regulations and authorities were required and had to take place in the TPO's employment, transportation programs, services, events or activities.

Ms. Mitchell highlighted the following updates to the plan:

- Added clarity to the CAC, TAC, and TPO Board membership representation and the guidance they provided.
- Instituted a robust but easy to follow complain procedure, with blank forms attached and various Civil Rights Certifications and Assurances.
- 2045 Long Range Transportation Plan, Assessment of Investments in Environmental Justice Areas
- The plan also provided updated graphs, demographics, and population tables to reflect the new 2020-21 Census data.

The TPO continued to accommodate anyone with disabilities such as, blind and hearing impaired, as well as any language barriers through our Website, Social Media Platforms or as requested.

The TPO Title VI Plan encompasses all of the rules and regulations required to ensure that all members of the community are involved and participation was solicited throughout the planning process.

Ms. Mitchell ended her presentation saying, the TPO actively ensured that diversity and equality was at the forefront of all its actions. Completely committed to making sure everyone had an equal footing to the TPO's plans, programs, meetings, activities and events.

Mr. McGinley made a motion to approve the TPO Title VI Plan Update.

Mr. Rudnianyn seconded, and the motion passed unanimously.

#### **Item 5a. US 301/441 at SE 80<sup>th</sup> Street**

Chairwoman Michelle Shearer raised a discussion topic regarding US 301/441 at SE 80th Street.

Chairwoman Shearer said that around high traffic times (lunch time and the end of the work day) the intersection had become a “trap”. What had been happening was going east there would be a green light however, making a left-hand turn going north vehicles would get trapped because only a certain number of vehicles could fit in the middle section of the roadway and other vehicles could not get around the others.

Chairwoman Shearer mentioned that the area was also where the Santos paved trails would be opening providing areas for pedestrians and cyclist to stand. She mentioned that maybe installing a left-hand turn signal could help.

Ms. Anna Taylor with FDOT said that they could submit to Traffic Ops to do an evaluation of the intersection.

#### **Item 6. Consent Agenda**

Mr. Rudnianyn made a motion to approve the Consent Agenda. Mr. Fabian seconded, and the motion passed unanimously.

### **Item 7. Comments by FDOT**

Ms. Taylor provided the following comments from FDOT:

- The monthly construction report was provided to the committees with a highlight on the CR 484 and I-75 Interchange Roadway Improvements that had been began construction at the beginning of the year. There would be some nightly lane closures and FDOT would keep updated. Also, the Baseline Road Project and the NW 20<sup>th</sup> Street project were wrapping up with some delays due to outside temperatures.
- Mobility Week Bike Lane Design Contest: The TPO staff had been supporting and participating with FDOT. In Marion County, Oakcrest Elementary School had been the selected participating school in the Bike Lane Design Contest. Winners were to be selected January 16-18. Once a design was selected FDOT would work with the school to get the bike lane design installed.
- CSX had an ongoing project that would be updating railroad crossings in both Marion and Sumter counties. All lanes of South Pine Ave. (U.S.441/301) between SW 17th Street and SE 32nd Street would be closed from 5 a.m. Tuesday, January 17 to 5 a.m. Wednesday, January 18 for railroad reconstruction work.
