

Technical Advisory Committee (TAC)

The **Technical Advisory Committee (TAC)** is comprised of professional planners, engineers, and school officials who review transportation plans, programs, and projects primarily from a technical standpoint based on their professional experience.

Recommendations by the TAC are presented to the TPO's Board. Members of the TAC represent Marion County, the Cities of Belleview, Dunnellon, and Ocala, SunTran, the Marion County School Board, and the Florida Office of Greenways and Trails.
