RE: FY 2020 Selection of Community Transportation Coordinator for the Transportation Disadvantaged

As we discussed at the last meeting, every five years, it is the responsibility of the Local Planning Agency to arrange for a selection of the Community Transportation Coordinator (CTC) for their designated planning area. To complete this task, the Ocala Marion TPO staff issued a Request for Proposal (RFP), soliciting proposals from any and all interested professional firms to perform the functions of the CTC for Marion County.

Two submittals were received and after the Selection Committee completed their scoring and notes the scores were finalized and totaled by Procurement determining that Marion Transit Services was the candidate selected for the CTC position. Marion Transit Services provided a very precise and thorough RFP complying with all requirements set forth in the RFP advertised on April 3, 2020.

The CTC Selection was submitted to the TPO Board for review and approval, it passed unanimously. Next it was presented to the Transportation for the Disadvantaged Commission for review and approval and again, it passed unanimously.

We Congratulate Marion Transit Services, they will continue to serve as the CTC for Marion County beginning July 1, 2020.
TO: TDLCB Board Members  
FROM: Liz Mitchell, Grants Coordinator/Fiscal Planner  
RE: FY 2020 PROPOSED TRIP RATE FOR MARION TRANSIT SERVICES

The TDLCB is required to approve Marion Transit Services (MTS) proposed trip rates on a yearly basis. MTS, utilizes the Commission for Transportation Disadvantaged (CTD) Trip Rate Calculation process. The Trip Rate Calculation process takes into account numerous costs items such as, labor, fringe benefits and insurance as well as program income to determine the trip rates. This year, MTS is proposing a slight decrease in the per-mile charge for ambulatory and wheelchair patients. TPO staff has reviewed the Trip Rate Calculation and concurs with the results. The proposed rates are as follows:

<table>
<thead>
<tr>
<th></th>
<th>Current Rate</th>
<th>Proposed Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ambulatory</td>
<td>$30.24</td>
<td>$29.08</td>
</tr>
<tr>
<td>Wheelchair</td>
<td>$51.84</td>
<td>$49.85</td>
</tr>
</tbody>
</table>

The Trip Rate Calculation is enclosed for your review. Staff is requesting approval of the rates as proposed.

If you have any questions or would like to discuss this proposal further, please contact our office at 438-2630.

Any comments and/or suggestions please contact Liz Mitchell, liz.mitchell@marioncountyfl.org.

**If necessary and justified, this cell is where you could optionally adjust proposed service rates up or down to adjust for program revenue (or unapproved profit), or losses from the Actual period shown at the bottom of the Comprehensive Budget Sheet. This is not the only acceptable location or method of reconciling for excess gains or losses. If allowed by the respective funding sources, excess gains may also be adjusted by providing system subsidy revenue or by the purchase of additional trips in a period following the Actual period. If such an adjustment has been made, provide notation in the respective reconciliation area of the Comprehensive Budget tab.**

RE: Transportation Disadvantaged Service Plan – 2020 Update

The Florida Commission for the Transportation Disadvantaged (FCTD) requires that each Community Transportation Coordinator (CTC) submit a comprehensive TDSP or an annually updated tactical plan that includes the following components for the local transportation disadvantaged (TD) program:

- Development Plan
- Service Plan
- Quality Assurance
- Cost/Revenue Allocations and Fare Justification

The CTC is responsible for arranging transportation for TD persons, and with approval from the Local Coordinating Board (LCB), the CTC may subcontract or broker transportation services to private transportation operators. Each year, the CTC reviews all transportation operator contracts before renewal to ensure that the contracts comply with the standards of the FCTD.

This TDSP updates the 2018–2027 TDSP and fulfills the annual requirement of the FCTD. TPO staff is requesting the LCB review and approve the TDSP update prior to submission to the FCTD for final action. This document includes all components of the TDSP.

If you have any questions regarding the TDSP Update or any of its components, please feel free to contact Liz Mitchell, liz.mitchell@marioncountyfl.org.
TDSP CERTIFICATION

The Ocala/Marion County Local Coordinating Board (LCB) for the Transportation Disadvantaged (TD) hereby certifies that an annual evaluation of the Community Transportation Coordinator (CTC) was conducted consistent with the policies of the Commission for the Transportation Disadvantaged and that all recommendations of the CTC evaluation have been incorporated in this Plan.

We further certify that the rates constrained herein have been thoroughly reviewed, evaluated, and approved. The Transportation Disadvantaged Service Plan (TDSP) will be reviewed in its entirety and approved by the Board at an official meeting held on ___________________, 2020.

Item 2. Proof of Publication

Secretary Shakayla Irby stated that the meeting had been published online on the TPO website, the City of Ocala, Belleview, and Dunnellon websites. The meeting was also published to the February 16, 2020 edition of the Star Banner.

Item 3a. Mr. Scott Quintel – Director of United Way – 211 System

Mr. Quintel gave an overview of the 211 System and the benefits of the system.

Mr. Quintel explained that for assistance with affordable housing, quality day care or utility assistance, dealing with a personal crisis, struggling with thoughts of suicide or seeking help with an aging parent a simple dial to 2-1-1 would point citizens in the right direction.

2-1-1 was United Way’s free information and referral helpline which linked people in need with assistance from more than 2,000 local health and human service programs. Staffed by caring, highly trained, multilingual (over 200 languages) operators, 2-1-1 would be the connection to finding help with:

- Utilities, Housing and Food
- Youth and Child Care Issues
- Physical and Mental Health Services
- Elder Services
- Employment Services
- And much, much more

The way to reach 2-1-1 for services would be the following:

- Dial 2-1-1 from any phone
- Text your zip code to TXT-211(898-211) using a cell phone
- Email uw211help@gmail.com
- Chat with a 2-1-1 Specialist
- Search the 2-1-1 online database to find the resources needed
- Visit the 2-1-1 Marion County Blog
Mr. Quintel also added that income tax preparations had been added to the list of services and that anyone no matter the income could reach out for assistance in preparing taxes. However, appointments filled quickly so he encouraged that anyone in need call for an appointment right away.

**Item 3b. Ms. Channa Lloyd – Census Bureau – 2020 Census**

Ms. Lloyd gave a presentation on the 2020 Census and explained the count was mandated by the Constitution and conducted by the U.S. Census Bureau, a nonpartisan government agency. The 2020 Census counted the population in all 50 states, the District of Columbia, and five U.S. territories (Puerto Rico, American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, and the U.S. Virgin Islands). Each home would receive an invitation to respond to a short questionnaire—online, by phone, or by mail. Invitations to respond to the 2020 Census would be delivered by March 12-20. Once the invitation was received a response could then be issued.

The census provided critical data that lawmakers, business owners, teachers, and many others used to provide daily services, products, and support for citizens and the community. Every year, billions of dollars in federal funding go to hospitals, fire departments, schools, roads, and other resources based on census data. The results of the census also determined the number of seats each state would have in the U.S. House of Representatives, and they were used to draw congressional and state legislative districts. It's also in the Constitution: Article 1, Section 2, mandated that the country conduct a count of its population once every 10 years. The 2020 Census would mark the 24th time that the country had counted its population since 1790.

Participating in the census was required by law, even if recently another survey from the Census Bureau had been completed. A complete and accurate count was critical, because the results of the 2020 Census would affect community funding, congressional representation, and more.

Ms. Alesiani asked if responses were not received by all citizens in the community would the Census Bureau come to the door of the individuals that did not respond. Ms. Lloyd responded, yes, employees of the Census Bureau would be sent out to go door to door and collect the information.

Ms. Lloyd referenced some important dates for the Census:

- **March 12 - 20**: Households would begin receiving official Census Bureau mail with detailed information on how to respond to the 2020 Census online, by phone, or by mail.
- **March 30 - April 1**: The Census Bureau would count people who are experiencing homelessness over these three days. As part of the process, the Census Bureau counts people in shelters, at soup kitchens and mobile food vans, on the streets, and at non-sheltered, outdoor locations such as tent encampments.
- **April 1**: Census Day observed nationwide. By the date, every home would receive an invitation to participate in the 2020 Census. Once the invitation arrived, each household should respond in one of three ways: online, by phone, or by mail. When responding to the census, it would tell the Census Bureau where you live as of April 1, 2020.
April: Census takers would begin visiting college students who live on campus, people living in senior centers, and others who live among large groups of people. Census takers would also begin conducting quality check interviews to help ensure an accurate count.

May - July: Census takers would begin visiting homes that haven't responded to the 2020 Census to help make sure everyone was counted.

December: The Census Bureau would deliver apportionment counts to the President and Congress as required by law.

Chairwoman Stone mentioned that Marion County had taken many steps to inform the community about the Census and let them know how important the count would be. She also talked about some upcoming dates of events being hosted for Census awareness:

**Item 4a. Appointment of our CTC (June 30, 2020)**

Ms. Mitchell informed the board that every five years, it was the responsibility of the Transportation Planning Agency to arrange for a selection of the Community Transportation Coordinator (CTC). The appointment for the current CTC expired June 30, 2020. It was incumbent upon staff to begin the procurement process as early as possible in order to meet the deadline.

Ms. Mitchell provided a copy of the rules and regulations per Florida Statute 427, Rule 41-2.010, Florida Administrative Code, Commission policies to the board.

Mr. Wilder stated that Marion Transit was looking forward to applying.

**Item 5a. Approval of Grievance Procedures**

Ms. Mitchell presented and said it was incumbent upon TPO staff to regularly review and/or amend the TDLCB Grievance Procedures to remain concurrent with State of Florida regulations and code as they relate to the operations of the local Community Transportation Coordinator (CTC) and the Florida CTD.

TPO staff had rewritten the TDLCB Grievance Procedures and respectfully requested the TDLCB Board review and recommend changes or approval to said procedures.

All elements included in the TDLCB Grievance Procedures were pursuant to Chapter 427 Florida Statutes (FS); Rule 41-2, CTD Local Grievance Guidelines, and subsequent laws setting forth requirements for the handling of grievances of transportation services to the TD.

Ms. Pieriboni made a motion to approve the Grievance Procedures. Ms. Melvin seconded, and the motion passed unanimously.
**Item 5b. Approval of CTC Review**

Ms. Mitchell presented and said that Transportation Coordinator (CTC) was to be evaluated annually based on the Commission for the Transportation Disadvantaged’s (CTD) approved evaluation criteria. TPO staff conducted the evaluation during the month of January and early February.

The evaluation included an analysis of all relevant elements within the operations of Marion Transit Services. Examples include:

- Policies & Procedures
- Vehicle Operations & Maintenance
- Grievance Procedures
- Budget
- Contracts and Contract Management
- Driver Certification & Training
- Performance Standards
