Item 2. Proof Of Publication

Secretary Shakayla Jacobs stated that the meeting had been published online on the TPO website and Facebook page and on the city of Ocala, Belleview, and Dunnellon websites.

Item 3a. 2045 Long Range Transportation Plan Data

The Central Florida Regional Planning Model – Version 7 (CFRPMv7), was the travel model that would be used most major planning efforts in Central Florida. The model would feature a more refined zone system, with more than 30% more zones than the previous version; a geospatially-correct roadway network; a new travel generation module; a re-calibrated travel distribution module; and robust model validation process. Staff provided a brief presentation on how the model was developed including the socio-economic data and construction of the model network, and how the model was used to project traffic levels and patterns in the horizon year of the 2045 Long Range Transportation Plan.

Mr. Mirza made a motion to approve the 2045 Long Range Transportation Plan Data.

Ms. Garcia second, the motion passed unanimously.
