2019 LEGISLATIVE PRIORITIES

SUPPORT INCREASED FUNDING FOR THE TRANSPORTATION REGIONAL INCENTIVE PROGRAM

The Transportation Regional Incentive Program (TRIP) was established to encourage a regional approach to transportation system improvements. This program proved highly successful in the Central Florida area. Funding for the program has declined steadily since 2008 due to the economic downturn and a shift of million in 2014 to the Florida Rail Enterprise. Restoring the program to its pre-recession levels enable local governments to accelerate a number of transportation projects.

SUPPORT EXPANDED AVAILABILITY OF THE CHARTER COUNTY AND REGIONAL TRANSPORTATION SYSTEM SURTAX

Section 212.055(1) F.S. authorizes charter counties to levy (by countywide referendum) up to 1¢ for various transportation uses including highway construction and maintenance as well as activities to support a transit system. Expanding eligibility for this surtax to counties that are members of a metropolitan/transportation planning organization would provide another resource for local governments in those counties to address transportation issues as well as provide a source of matching funds for programs such as the Transportation Regional Incentive Program (TRIP).

SUPPORT INDEXING OF LOCAL OPTION GAS TAXES

Current market conditions, including more fuel efficient vehicles, are greatly undermining the purchasing power of local option gas taxes. In 1997, the Legislature allowed state gas taxes to be indexed to the Consumer Price Index (CPI) each year. Providing local governments the same opportunity to index local option gas taxes would enable local governments to better address both capacity and maintenance issues. Since 1990, the purchasing power of local option taxes has decreased by approximately 40%.
SUPPORT REDUCTION OF DISTRACTED DRIVING BY DESIGNATING TEXTING WHILE DRIVING A PRIMARY OFFENSE

Traffic crashes caused by drivers using wireless communication devices continues to be a concern. In 2013, the legislation was enacted that prohibited use of such devices while driving as a secondary offense, meaning a driver has to have committed a more serious violation (i.e. speeding, careless driving) to be issued a citation for texting while driving. Designating distracted driving as a primary offense would further deter this dangerous activity.

ALLOWS STRATEGIC INTERMODAL SYSTEM (SIS) FUNDS TO BE USED ON ROADS AND OTHER TRANSPORTATION FACILITIES NOT DESIGNATED ON THE SIS IF THE IMPROVEMENT WILL ENHANCE MOBILITY OR SUPPORT FREIGHT TRANSPORTATION ON THE SIS.

Current state law does not permit SIS funds to be spent on roads or other transportation facilities that are not part of the SIS, even if proposed improvements would directly benefit users of SIS facilities by enhancing mobility options or supporting freight movement in a SIS corridor. This legislative proposal would broaden the State’s ability to improve passenger and freight mobility on SIS corridors by making eligible the expenditure of SIS funds on Non-SIS roads and other transportation facilities where the benefit to users of SIS facilities can be demonstrated.

ESTABLISHES FLEXIBLE AND PREDICTABLE FUNDING FOR TRANSIT PROJECTS (CAPITAL AND OPERATING) IDENTIFIED THROUGH THE METROPOLITAN TRANSPORTATION PLANNING PROCESS BY REMOVING VARIOUS FUNDING LIMITATIONS FOR THE STATE TRANSPORTATION TRUST FUND (STTF)

Current state law limits the amount of funding that can be made available from the STTF for transit projects for both capital and operating expenses. These limitations, which are not in place for roadway funding, makes transit funding from the STTF less predictable for the purposes of planning and project implementation and artificially limits the ability of MPOs to implement priority transit projects. This proposal recognizes the critical role transit plays in moving people and goods within and between Florida’s metropolitan areas by removing the distinction between transit and highway projects for the purpose of spending funds from the STTF.

RECOGNIZES THAT FEDERAL METROPOLITAN TRANSPORTATION PLANNING FUNDS SHALL NOT BE REGARDED AS STATE FUNDS FOR PURPOSES OF EXPENDITURE.

The United States Department of Transportation (USDOT) provides funding to metropolitan planning organizations (MPOs) to carry out their federally required duties. Those federal funds are given to states who in turn distribute them to MPOs based upon a formula agreed upon by the Florida Department of Transportation (FDDOT) and the Florida MPOs and then approved by the Federal Highway Administration (FHWA). The Florida Department of Financial Services (DFS) has determined that the expenditure of federal funds by MPOs shall be subject to all state requirements, laws and regulations even where such laws conflict with federal laws, regulations and requirements. This limits the ability of the Florida MPOs to use federal funds for their intended purpose and impinges on their ability to carry out their responsibilities as outlined in federal rule. This proposal would clarify that federal monies passed through the State of Florida to MPOs and the Florida MPO Advisory Council (MPOAC) shall not be regarded as state funds for purposes of expenditure.
SUPPORTS THE ADVANCEMENT OF INNOVATIVE TRANSPORTATION MOBILITY SOLUTIONS AND POLICIES THAT MAKE FLORIDA THE NATIONAL LEADER IN CREATIVE APPROACHES TO ADDRESSING TRANSPORTATION NEEDS, WHILE SIMULTANEOUSLY PROTECTING CITIZENS FROM MALICIOUS TAMPERING WITH SUCH TECHNOLOGIES BY MAKING TAMPERING A PUNISHABLE OFFENSE.

Transportation technologies have undergone a revolutionary leap forward over the past several years. A variety of transportation technologies are under development including autonomous vehicles and the hyperloop. It is the responsibility of the Florida legislature to ensure that the states laws and funding mechanisms support the development and implementation of these technological advances in the way people and freight will move in and between our metropolitan areas. At the same time, it is incumbent upon the Florida legislature to ensure that the health and welfare of Florida’s citizens and visitors are protected from possible harm presented by these new technologies, including the malicious and intentional interference of the proper functioning of transportation vehicles and systems. This proposal supports legislative efforts to implement innovative mobility solutions and polices while protecting the health and welfare of Florida’s citizens and visitors.

The Central Florida Metropolitan Planning Organization Alliance (CFMPOA) is a coalition of transportation and government organizations committed to addressing transportation challenges in the larger Central Florida area.

The Alliance has a policy board of 18 members, three from each of its six-member organizations. (Lake-Sumter MPO, Polk County TPO, Space Coast TPO, River to Sea TPO, Metroplan MPO and the Ocala/Marion TPO). Representatives from the Florida Department of Transportation participate as well. The group meets three times per year and operates on the basis of consensus.

Commissioner was also elected Secretary at the October 12th CFMPOA Alliance Meeting.

**Item 5a. TIP Amendment I-75 Frame Arterials**

Mr. Odom presented the TIP Amendment I-75 Frame Arterials.

Mr. Odom said to ensure that the Ocala/Marion County TIP reflects the most current project information, it was necessary to periodically amend the document. Amendments to the TIP were typically required:

- To add or delete a project;
- To change the state or federal funding allocation of a project;
- To change the year of anticipated funding of a project phase;
- To change the scope of work of a project;
- To change the source of federal or state funds.

The FDOT was requesting the TIP be amended to reflect the additional funding allocation for the project:

- **440900-2:** Add $4.44 Million to CST for FRAME-OFF ITS Systems

  Mr. Zalak made a motion to approve the TIP Amendment I-75 Frame Arterials. Ms. Stone seconded, there was a roll-call vote and the motion passed unanimously.

**Item 5b. ‘Roll-Forward’ TIP**

Mr. Odom presented the ‘Roll-Forward’ TIP and said the document had been prepared from the latest draft of the Florida Department of Transportation’s Tentative Work Program.

*Mr. Zalak made a motion to approve the ‘Roll-Forward’ TIP. Ms. Hanchar seconded, there was a roll-call vote and the motion passed unanimously.*

**Item 5c. Bridge and Pavement Condition and Mobility Performance Measures**

Mr. Daniels presented the Bridge and Pavement Condition and Mobility Performance Measures and said that nationally, state-specific, and locally, transportation plans existed to enhance mobility and safety for all users of the transportation system. A coordinated effort to connect all the safety plans had long been in effect in the transportation realm, but over the last two years, a system of Performance Management had led to a greater push for comprehensive and coordinated transportation and safety planning. Performance Measures for Safety, System Performance, Pavement and Bridge condition have been developed by the FHWA, for which targets were being established cooperatively between the FDOT and MPO’s within the State of Florida (as well as nationally). Through the coordinated effort, the goals of the Highway Safety Improvement Program (HSIP), Highway Safety Plan (HSP), Strategic Highway Safety Plan (SHSP), and region specific safety and transportation plans could be shown to guide and support one another. In February of 2018, the Ocala / Marion County TPO, the FDOT adopted the five (5) safety performance measures adopted by the Federal Highway Administration (FHWA) for all public roads based on historic trend data to meet federal requirements.

The Safety Performance Measures.

Mr. Daniels showed the board a presentation of performance measures for Pavement and Bridge Condition (PM2) and System Performance (PM3).

There was some board discussion about the requirements.

*Mr. Zalak made a motion that the TPO Board supported the FDOT recommendations. Ms. Stone seconded, and the motion passed unanimously.*

**Item 5d. Director Performance Improvement Plan**

Mr. Jared Sorenson, City of Ocala Human Resources Director presented the Director Performance Improvement Plan and explained that the TPO Board members sent to him some comments and areas of improvement for the Transportation Director and from that he had compiled all suggestions from the Board members into the Performance Improvement Plan.

Mr. Zalak commented that he sent his comments to Mr. Sorenson a little late however, it would not have changed anything to Mr. Sorenson’s recommendations.
TPO Meeting Minutes – October 23, 2018

There was some board discussion.

Ms. Stone made a motion to approve the current Performance Improvement Plan as presented with the Chair meeting monthly with Mr. Daniels to review progress and that all board members would produce a 150-day evaluation so that a decision to renew Mr. Daniels contract can be made on the six month. Mr. Grabelle, seconded and the motion passed unanimously.

Subject: FY 2018/19 SunTran Budget

Attached you will find the proposed SunTran budget for FY 17/18. The budget reflects the capital items and operational costs for the upcoming year. Overall, the significant change from the previous year was the purchase of two new buses. As a result, the rest of the budget was reduced and the shortfall will be paid out of previous available funds. There are no significant cost changes from the previous year. The overall budget for this year is just over $3.3 million and each jurisdiction’s portion is listed as part of the budget sheet. This represents a 10% increase over last year’s budget, based on the additional $939,000 for the two new buses and no change in expenses for the local jurisdictions.

Staff is requesting approval of the budget as presented. If you have any questions, please contact our office at 629-8297.

RE: FTA Fiscal Year 2018 Certifications and Assurances

As a grantee with the Federal Transit Administration for public transportation funding, certain pre-award Certifications and Assurances are required.

The purpose of these requirements is to require compliance with applicable federal laws regarding but not limited to:
- discrimination practices,
- suspension and debarment,
- adequate assurance of work completion, and
- lobbying

If you have any questions regarding the required Certifications and Assurances please feel free to contact the TPO staff at 629-8297.
FTA FISCAL YEAR 2018 CERTIFICATIONS AND ASSURANCES

PREFACE

Before the Federal Transit Administration (FTA or We) may award federal assistance for public transportation in the form of a federal grant, cooperative agreement, loan, line of credit, loan guarantee, master credit agreement, or State Infrastructure Bank (SIB) cooperative agreement, certain pre-award Certifications and Assurances are required, except as FTA determines otherwise in writing. The Applicant must authorize a representative (Authorized Representative) to select and sign its Certifications and Assurances and bind the Applicant’s compliance. You, as your Applicant’s Authorized Representative, must select and sign all Certifications and Assurances that your Applicant must provide to support each application it submits to FTA for federal assistance during federal fiscal year (FY) 2018.

We request that you read each Certification and Assurance and select those that will apply to any application for which your Applicant might seek FTA assistance during FY 2018. As provided by federal laws, regulations, and requirements, FTA may award federal assistance only if the Applicant’s Authorized Representative selects adequate Certifications and Assurances.

We have consolidated our Certifications and Assurances into twenty-one (21) Categories.

We encourage you to make a single selection that will encompass all twenty-one (21) Categories of Certifications and Assurances that apply to our various programs. FTA, the Applicant, and the Applicant’s Authorized Representative, understand and agree that not every provision of these twenty-one (21) Categories of Certifications and Assurances will apply to every Applicant or every Award or Project included in an Award, even if you make a single selection encompassing all twenty-one (21) Categories. Nor will every provision of each Certification or Assurance within a single Category apply if that provision does not apply to your Applicant or the Award it seeks. The type of Applicant and its application will determine which Certifications and Assurances apply.

In the alternative:

- All Applicants must select the Assurances in Category 01, “Required Certifications and Assurances for each Applicant.
- If your Applicant requests or intends to request more than $100,000 in federal assistance during FY2018, you must select the “Lobbying” Certification in Category 02, except if your Applicant is an Indian tribe, Indian organization, or an Indian tribal organization.
- Depending on the nature of your Applicant and the Award it seeks, you may also need to select one or more Certifications and Assurances in Categories 03 through 21.

Your Applicant is ultimately responsible for compliance with the Certifications and Assurances selected that apply to its Award, itself, any Subrecipient, or any other Third
FTA FISCAL YEAR 2018 CERTIFICATIONS AND ASSURANCES

Party Participant in its Award, except as FTA determines otherwise in writing. For this reason, we strongly encourage your Applicant to take appropriate measures, including, but not limited to, obtaining sufficient documentation from each Subrecipient and any other Third Party Participant as necessary to assure your Applicant’s compliance with the applicable Certifications and Assurances selected on its behalf.

Except as FTA determines otherwise in writing, if your Applicant is a team, consortium, joint venture, or partnership, it understands and agrees that you must identify the activities that each member will perform and the extent to which each member will be responsible for compliance with the selected Certifications and Assurances. You also must identify each member’s role in the Award, whether as a Recipient, Subrecipient, Third Party Contractor, or other Third Party Participant.

It is important that you and your Applicant also understand that these Certifications and Assurances are pre-award requirements, generally imposed by federal law or regulation, and do not include all federal requirements that may apply to it or its Award. We expect you to submit your Applicant’s FY 2018 Certifications and Assurances and its applications for federal assistance in FTA’s Transit Award Management System (TrAMS). You must be registered in TrAMS to submit your Applicant’s FY 2018 Certifications and Assurances. TrAMS contains fields for selecting among the twenty-one (21) Categories of Certifications and Assurances and a designated field for selecting all twenty-one (21) Categories of Certifications and Assurances. If FTA agrees that you are unable to submit your Applicant’s FY 2018 Certifications and Assurances electronically, you must submit the Signature Pages at the end of this document, as FTA directs, marked to show the Categories of Certifications and Assurances that you are submitting.

Be aware that these Certifications and Assurances have been prepared in light of:

- The Fixing America’s Surface Transportation (FAST) Act, Public Law No. 114-94, December 4, 2015, and other authorizing legislation to be enacted,
- The Moving Ahead for Progress in the 21st Century Act (MAP-21), Public Law No. 112-141, July 6, 2012, as amended by the Surface Transportation and Veterans Health Care Choice Improvement Act of 2015, Public Law No. 114-41, July 31, 2015,
- Previous enabling legislation that remains in effect, and
- Appropriations Acts or Continuing Resolutions funding the U.S. Department of Transportation during Fiscal Year 2018.
FTA FISCAL YEAR 2018 CERTIFICATIONS AND ASSURANCES

CATEGORY 01. REQUIRED CERTIFICATIONS AND ASSURANCES
FOR EACH APPLICANT.

Before FTA may provide federal assistance for your Applicant’s Award, you must select the
Certifications and Assurances in Category 01 in addition to any other applicable Certifications
and Assurances, except as FTA determines otherwise in writing.
