

# Ocala Marion TPO Board

The **Ocala Marion TPO Board** is a transportation policy-making body responsible for the overall guidance of the transportation planning process in Marion County. This includes providing leadership and oversight for the development of transportation policies, plans, programs and strategies. The TPO Board is comprised of 12 voting members, including the City of Ocala

Mayor and four members of the City Council; all five Marion County Commissioners; and one representative each from the Belleview City Commission and the Dunnellon City Council. The Florida Department of Transportation District V Secretary is also on the TPO Board as a non-voting member.
